**GOALS AND PLANS**

Please briefly describe your goals and expectations for this program: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

The National Association for Child Development is an organization of parents and professionals dedicated to assisting individuals in the achievement of their innate potentials. Program recommendations are not medical, therapeutic, or psychological prescriptions. Program recommendations are offered for the client and families' review, investigation and education. Application of said procedures is the responsibility of the client and family. Robert J. Doman, Jr., (founder), is an educator. He does not, nor is he licensed to, practice medicine. If medical or other licensed professional advice is needed, the family is urged to consult a licensed physician or other licensed professional.

I acknowledge that I have read and completed this information to the best of my knowledge and ability, and that I understand that neither NACD nor those trained by or employed by NACD are assuming responsibility or liability for the client, and that I, as parent, guardian or client, assume full responsibility.
